Consultant Paediatrician
Paediatric Gastroenterologist

www.dr-hyer.co.uk

Warren Hyer has 20 years of experience in paediatric medicine, training through the most prestigious training schemes in the UK and appointed consultant in 1998. His NHS post is based at the international renowned St Mark's Hospital, Harrow, Middx – centre for gastrointestinal disease. His main private patient location is the Clementine Churchill Hospital, Harrow, where he is the clinical lead for paediatrics in the flagship hospital for the BMI Hospital group. His training and experience includes a period as Consultant Paediatrician at the Royal Childrens Hospital, Melbourne Australia; deemed to be one of the world's leading childrens' hospitals (2007).

Warren Hyer is available to see patients in the NHS and private sector. Those wishing to be seen privately can contact his relevant hospitals using the numbers below. To find these locations, please refer to the web site. Urgent referrals can be organized by calling his secretary on 0208 869 2644, and it may be possible to be seen the same day. Out of hours, Warren is not available to see private referrals urgently whilst covering his NHS commitments – see www.dr-hyer.co.uk for details.
